

1. K-Love Radio supports my local community by giving me daily / weekly updates of what is going on in my community in terms of Christian events (marriage counseling seminars, volunteer work, christian concerts, etc).

2. If K-Love were to be displaced by a LPFM Broadcaster, it would have a very negative impact. K-Love is one of only a few Christian - only music stations that provides positive and encouraging messages in my community. Their music they play is inspiring, the speakers they have on their show are positive role models, and the behind the scenes support they provide (full time ministers, and prayer) is incredible.

3. The support provided by K-Love is in the public interest because it is solely listener funded. No Tax-dollars go to support this ministry which positively impacts lives every day in my community and communities throughout the US and thanks to the internet, overseas as well. People with addictions, people who are hurting, people who are "lost" listen and call K-Love every day for help and support!!!
